You are also prepared for different types of tasks and will be part of a chairman team of other employees in the Region of Southern Denmark.

We have hourly paid employees employed from several different nationalities, including from Denmark – Poland – Germany – Latvia.

Our desire for the right employee.

- We expect you to be stable.
- Experience with Machine Drive / Mini Excavator.
- Valid Driver's License for Car and Trailer License.
- Speaks Danish, English or German.
- Can work independently.
- Good map understanding.
- Course – "*Vejen som Arbejdsplads*" completed - DK rules.
- Knowledge of road safety and barriers – Quality assurance – surveying.
- Contribute with great commitment and good interpersonal skills.
- Preferably industry knowledge with burial of fiber – cables – paving – contractor work.
- Would like to make an extra effort during busy periods.
- Positive – outgoing and good communication skills.
- Meticulous and structured.
- Basic IT skills.

We offer

- Salary according to qualifications.
- Pension savings.
- Health insurance included.
- Company car.
- Good colleagues.
- Intro to company and good training of your tasks.
- Freedom with responsibility.
- Lasting work for the right people.
- Active staff association.
